- At the end of the session, participants will receive a **certificate of completion**.

If you have a specific need, contact us at academy@thiga.fr to discuss it and develop a training program tailored to your needs.

Thiga Academy

Our support

Teaching method

Practical work accounts for around 40% of the course. To that we add **40% of theory** and **20% of discussion** between participants and trainers, to ensure that the content is adapted to each participant's individual context. A "red thread" product will be used as a case study to run all the workshops.

Our trainers and alumni

Our trainers

Our training courses are led by one of our **experts**. They are simultaneously **trainers**, program **creators** and **consultants** and they combine their professional experience and pedagogy to help you develop your skills.

What our Alumni say

“A training course given by someone who knows what he's talking about, who's really experienced in the field, in methodology. It's good to get reminded of essential concepts (northern star, metrics, perpetual questioning...)”

Vincent — Freelance Product Manager

“A very warm welcome from the members of Thiga, especially our trainer. Her feedback was very enriching, and she was able to adapt certain elements to her audience (including me).”

Océane — Product Designer at RCA

About Thiga

Our books on Product

We have written and published several books on **Product Management** and **Product Design**. Our aim? To give the Product community access to actionable advice and methods, from the basics of Product Management to setting up a Product organization. Our entire training program is **built around these books**.

The Product Conf'

LPC (La Product Conf') brings together inventive and ambitious Product People who want to **share their experiences** and find the best ways to **turn their ideas into reality**. We give the European community of Product People the means to **promote the product spirit** in their companies.

Our Media

Discover the media that informs the **Product leaders** of today and tomorrow. You'll find all the Product content you need to support and inspire you every day: practical information sheets, opinion pieces from leading experts, themed series and feature stories. In short, original content to get you through the doors of the best tech companies.
